

Thanks to our school board and the support of the Athletic Boosters, Maine West (District 207) is one of the few schools that does not charge an additional fee to play sports - ALL sports are free of charge. To be able to continue to support our Maine West teams, please make a donation and become a booster member today!

Below is a list of some of the High Schools in our area that charge fees to play sports: (Please note that these fees are subject to change at any time with board approval.)
